Notes:

>> **The rating system is 1-3.** 1 is a very important workout to get in during the week, a 2 is good to get in if you have time.... A 3 is if you have extra time and can get some "extra credit" training in. This way if you organize you week and see you can only get 2-3 workouts in, do the 1's first, then the 2's etc...

>> **The Red Box:** Weeks to race

>> **The Green Box:** A hard training block weekend

>> **The Blue Box:** A Recovery block- IMPORTANT time to rest up and get ready.
