1988 OFFICIAL RESULTS

IN THIS RACE...

You are never alone
and you win
when you reach.

Reach...
deep within;
toward your goal;
beyond your limit;
across borders;
beyond politics; and,
to touch the spirit.

A model for the world?
Perhaps.

A miracle of the moment?
Of course.

This is the race
that <u>everyone</u> wins.

ONE-STOP SHOPPING!

Quick & Convenient . . . Expressly for You!

Let the premier service of Swissair carry you to the premier X-C ski trails in the world.

Where else but the Alps can you step into touring tracks that lead you from village to village with the Matterhorn as a dramatic backdrop? Or take a cable car up to routes that overlook the Rhone Valley at nearly 10,000 feet? Or ski illuminated night trails that hug the sparkling Landquart River?

There are 17 world-class resorts in Switzerland, Austria and France just made for cross-country ski buffs. Like the 70 magnificent miles of trails at St. Moritz and 45 perfectly groomed miles in Davos. Not to mention *the* classic Alpine adventure, The Haute-Route, which stretches from Zermatt to Chamonix and can fill two entire weeks with mountain-touring memories.

Apres-ski possibilities abound: moonlit sleigh rides through charming old villages, serious shopping at chic boutiques and bubbling fondues for two to share.

With land prices that range from $219 to $2,448 per person for a one-week package, you can choose from a wide variety of accommodations. Swissair also combines destinations to make two-week, two-resort packages available. All guaranteed in U.S. dollars.

And cross-country ski connoisseurs should remember that Swissair flies to many sites of the 11 Worldloppet events—the largest, most challenging endurance races in the field of cross-country skiing.

THE SIMPLE SECRETS OF SKATING

THE VIDEO

featuring last year's 1st and 3rd place men in the Kortelopet as well as the top Wisconsin male Birkie finisher.

At last! A true instructional video for beginners and experts alike. This 56-minute video unveils the mysteries of skating in a simple, easy-to-understand manner. It gradually builds upon two basic concepts. The first half deceptively moves you from ground zero to efficient technique. The second half shows you how to move into the realm of the "elite."

- **Skating Made Simple**
- **Skate The Birkie**
- **Extend The Season**

"LEE BOROWSKI has come to the cross country racer not with the 'simple secrets' of skating, but with the best information, evaluation and teaching methods on the market to date... Borowski took the lead and is the leader... will be helpful to all racers who want to become better skaters. Follow the LEADER." **MARTY HALL, Chief Coach, Canadian National Team**

Take yourself to "world class" technique. Make your training the only variable.

MAKING CONDITIONS RIGHT

Cross-country ski races can be long, tiring events. To compete properly, contestants need the best skis, the right wax, to be in top physical condition and have proper course preparation.

Top area and meet officials agree groomers made by Logan Manufacturing Company transform average to mediocre trails into superb, competitive ones.

And, LMC is proud to be the official supplier for the 1988 edition of the Curel American Birkebeiner.
