Why are you interested in being a member of the ABSF Board of Directors and what knowledge and skills do you possess that can benefit the organization.....

I have been coming to the Cable area for over 45 years and purchased our new home on Lake Namakagon 7 years ago. My wife and 5 kids and 2 grandkids love this area and the outdoors. I am transitioning to retirement over the next 2 to 3 years but until then, my current occupation as Divorce Mediator allows me to do all my mediations online. This will allow me more time for board activities and to assist the Birkie Foundation events now and even more when I fully retire.

I have attached a summary of my work history to highlight my skills and abilities for your consideration to becoming a Board Member. References are available to attest to my work ethic and volunteer activities over the years.

My goal as a Board Member would be to contribute and assist in whatever capacity the Birkie Foundation needs from me. I would be honored to be Board Member of such a great organization.

Sincerely,

Jeff Johnson
