COURSE INFORMATION

Choose your own distance with the Birkie Tour! While the Birkie Tour is not a timed race, it is an amazing opportunity to become comfortable with the legendary American Birkebiener Trail System. Skiers can choose their challenge of 15km, 26km, or 46km tour.

The Birkie Tour makes a counter-clockwise loop heading south on the Birkie Skate Trail and returning north on the Classic Trail. The Birkie Tour starts and ends at the American Birkebeiner Trailhead, located at 14875 McNaught Road, Cable, Wisconsin. Rest assured that you will be in great hands as you begin your ski, as there will be ample course signage, kilometer markers, shortcut signs, Birkie Trail Ambassadors, and medical staff to help keep you on course throughout your Birkie Tour!
