SUNDAY SKI & BIKE DEMOS

When: 9am–12pm

Where: Birkie Start — the American Birkebeiner Trailhead

The Slumberland American Birkebeiner's Sunday On-Snow Ski Demo on February 26, 2023, the day after the big race. Everyone from newbie skiers to elites can try out the latest in new equipment—skis, poles, boots, bindings, and fat bikes. Many of these products are brand new, many to be released for the next season. Plus, you get to try out all this gear right on the Birkie Trail. It's a whole other Birkie Week experience, a great time on the trail with family and friends.

Hosting the Sunday Ski Demo at the Birkie Start — the American Birkebeiner Trailhead — is a big plus for many skiers. Sunday is a relaxed time. You don't have to worry about "saving your legs" and you will likely have a much clearer sense of what you want from your equipment after skiing your event on Saturday. For many, a final ski on Sunday is already part of their Birkie tradition.

More than 300 visitors now make their way to the Sunday Ski Demo. All of the major ski and ski equipment manufacturers that you visited at the Birkie Expo will be there!
