

April 3, 2023

Dear Home or Lodging Establishment Owner,

Here at the American Birkebeiner® Ski Foundation (ABSF) we are busy making plans for our upcoming events, and participant lodging is a big part of those plans! If you would like to open your home or lodging establishment to participants of the 2023-24 events and would like to be included in the Lodging Directory, please fill out the form on the second page, and return it to us, via email. **To provide the most up-to-date information possible, the ABSF does not carry over listings from previous directories.**

Please be sure to include your **email address** if you have one. Offering email addresses for contact information is an important step in making the contact process easier for participants. **Please read the disclaimer carefully before filling out and signing the form.** Please print clearly, as ABSF will not be responsible for illegible or misprinted information.

Again, this year we will be offering the Lodging Directory to *participants of the events* hosted by the American Birkebeiner®*. The schedule of upcoming Birkie® events are the [Birkie Trail Run Festival](#), September 23, 2023. The On-Snow Season of events begins with the [Seeley Hills Classic](#) (SHC), January 13, 2024.

[Birkie Week Events](#) begins on Wednesday, February 21 through Sunday, February 25th, 2024, with the Open-Track event on Wednesday, the 21st, the Smaller – yet just-as-fun Events on Thursday, the 22nd, the Kortelopet, Prince Haakon and Para Birkie on Friday the 23rd and the American Birkebeiner on Saturday the 24th.

Then the [Fat Bike Birkie](#) is Saturday, March 9th, 2024. **Please note, some dates are subject to change.**

Registration for the Birkie Trail Run Festival opened in January, and registration for all other events opens May 1st. Please keep in mind, our participants start seeking accommodations upon registering for their event. Thus, the sooner your listing is submitted, the better your chance of filling your vacancy.

*You have the option to choose which events to list your accommodations.

It is the policy of the American Birkebeiner® Ski Foundation to not promote any individual housing or business other than providing a listing in our housing directory. Nor do we make recommendations on pricing, however we suggest you consider what you would be comfortable paying for the accommodations you are offering, if you were in the same situation. We reserve the right to deny applications because of past participant or foundation complaints. Please do not send business cards, brochures, or photos.

We will be updating the lodging directory periodically through January 2024. If you wish to have your listing removed from the directory, or no longer have a vacancy – for any given event - please notify us to update the directory.

If you have questions, please do not hesitate to contact the office. Thank you for your cooperation!

Sincerely,

The Birkie Staff
